

Bluebird Book for Children and Adults!

**\$7.95
per book**

**The Eastern Bluebird is written for ages 7 through 14,
but it can also be enjoyed by adults!**

The book is meant as a guide for those who want to learn more about the Eastern Bluebird, and was fact checked by Dr. Caren Cooper of Cornell Lab of Ornithology. The book was originally edited by Mr. Lawrence Zeleny, founder of the North American Bluebird Society. Donna Lee Houle has over 35 years of bluebird observation, as well as experience in data collection as a participant in the Cornell Lab's nest-card information program.

The book has 59 pages, with 40 pages of text, and 58 bluebird and bluebird-related photos throughout the book.

An Appendix includes nest-box plans, data-card samples, websites to visit, and books to read.
